SECTION B - SUPPLIES OR SERVICE AND PRICE/COST

The Office of Contracting and Procurement, District of Columbia Government is seeking a contractor to *provide transportation services*.

The Contractor shall perform the services described in Section C at the firm fixed unit prices listed below as CLIN 0001.

The District contemplates award of a firm fixed price requirements contract.

The District will purchase its requirements of the articles or services included herein from the Contractor. The estimated quantities stated herein reflect the best estimates available. The estimate shall not be construed as a representation that the estimated quantity will be required or ordered, or that conditions affecting requirements will be stable. They shall not be construed to limit the quantities which may be ordered from the Contractor by the District or to relieve the Contractor of his/her obligation to fill all such orders.

Delivery or performance shall be made only as authorized in accordance with the Ordering clause. The District may issue orders requiring delivery to multiple destinations or performance at multiple locations. If the District urgently requires delivery before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the District may acquire the urgently required goods or services from another source.

The Contractor shall complete any order issued during the effective period of this contract and not completed within that period within the time specified in the order. The contract shall govern the Contractor's and District's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period.
